Bowel Cancer Screening in Primary Sense

Male patients eligible for bowel cancer screening

N/A means not recorded. Due to the recent covid vaccination program inflating numbers of patients marked as active, the best way to find your regular patients is to filter on those with smoking status recorded by clicking the up and down arrow in that column

Automatic document save

- When a document or Report is opened in Primary Sense a folder is automatically created on the computer in use.
- Documents > Primary Sense™ (see image below)
 - Primary Sense data reports will be saved in the “Reports” folder
 - When a “Template” is opened it will automatically save into a secondary folder named “Quality Improvement”

Documents > Primary Sense™ (see image below)
