Southport**

Primary Care

This is your regular,
trusted doctor.

Visit primary care for:

-  All non-life threatening health needs that can wait to be seen
-  Any noticeable changes in your general health and wellbeing, including your mental health
-  Annual exams, screenings and health checks
-  Immunisations
-  Earaches, coughs, colds, fevers and diarrhoea
-  Prenatal care
-  Chronic disease management
-  Muscle and joint pains

Emergency Care

Emergency departments should
be reserved for situations that
could result in loss of life or limb
if not treated immediately.

Seek Emergency care for:

-  Severe allergic reaction (Anaphylaxis)
-  Chest pain
-  Warning signs of stroke, including altered sensation in face, arms and legs
-  Severe bleeding or bleeding that doesn't stop
-  Severe shortness of breath
-  Serious vehicle or industrial accidents
-  Poisoning
-  Complicated bone fractures
-  Major illness
-  Head injuries with loss of consciousness
-  Suicide attempts or thoughts
